**CONTACT2.** We're conducting research on behalf of the University of California. You're being asked to participate in a telephone survey of California residents because you participated in the 2009 California Health Interview Survey and you said you might be willing to do a follow-up. We're not selling anything or asking for any money.

Just to make sure that I'm speaking to the correct person {NAME}, your age is approximately {IMPORTED AGE}. Is that correct?

**VER2.** Did you or another member of your household participate in the California Health Survey?

[IF NEEDED: The California Health Survey was a telephone survey that took about 30 minutes of your time. You were called by an interviewer, like myself, from Westat in {MONTH/YEAR OF CHIS COMPLETION} In the survey, you were asked questions about your health, the types of things you do to stay healthy, the ways in which you get healthcare, your experiences in receiving care, and what types of health insurance you might have.

Did we interview you or someone else in your household?

Yes, respondent participated .....	1

[IF NEEDED – NOT A GOOD TIME]: I'd be happy to call back whenever is most convenient for you. When would be a good time?

**CONTACT3.** We're working on a very important statewide study about attitudes towards smoking. Your name and other personal information are confidential and will not appear in any study results and your answers will only be used for research purposes. You can skip any question that makes you uncomfortable. Your participation is voluntary and while you won't receive any direct benefits, your cooperation is very important to the success of this study. Results may be used by California legislators, public health advocates, researchers and the general public. The survey usually takes about 30 minutes. There is no cost to you for participating.

[IF FROM CHIS CELL PHONE SAMPLE]: To compensate you for your time and any cell phone charges, you will receive a \$25 check for your participation.

[TO ALL] Will you please help us in this study?

[IF NEEDED - LENGTH]: The survey usually takes about 30 minutes." (*If too long*) Can we please begin now and finish later?

[IF NEEDED – HESITANT]: *I'm not selling anything (if applicable)*. This study is designed to improve the general health of Californians. Your input is very important to the success of the study and we would really appreciate your participation. If this isn't a good time, I'd be happy to call back whenever is most convenient for you. Would that be all right?

[IF NEEDED – NOT A GOOD TIME]: Your input is very important to us. I'd be happy to call back whenever is most convenient for you. When would be a good time?

[IF NEEDED – SURVEY TOPICS]: We'd like to ask some questions about your attitudes, behaviors, and beliefs about smoking. If you'll let me start, you can see what the questions are like.

[IF NEEDED – HOW SELECTED]: We're contacting people who participated in the 2009 California Health Interview Survey, and who said they would or might be willing to do a follow-up survey. We really appreciate your participating in that survey, and we're hoping you'll agree to participate in this one as well. Your input is very important to the success of the study.
